Govt Boys Seniors Secondary School New Kondli New Dehli

Percentage: 69.00%

TRAININGS / CERTIFICATIONS

Programming In Java
Jan 2026 - Apr 2026
NPTEL, Virtual

Writing efficient code is as important as making it work.
Strong fundamentals make advanced concepts much easier to understand.
Consistency and practice matter more than studying everything at once.
Debugging teaches patience, logical thinking, and attention to detail.

PROJECTS

Retrosnap ↗
Apr 2026 - May 2026

- RetroSnap is a web-based, vintage-style photo booth application that brings a touch of nostalgia to your browser. It simulates the classic photo booth experience, from inserting a coin to getting a strip of four fun photos, enhanced with modern AI-powered creative suggestions

Travel-Explorer-Website ↗
Aug 2025 - Sep 2025

- A modern, responsive travel website that helps users explore destinations with stunning photos and real-time weather information. Built with HTML, CSS, and JavaScript, integrated with Unsplash and OpenWeatherMap APIs.
